

Terms of Service

Payment Terms:

Payments can be made by check, money order/purchase order or credit card. Flexible payment options must be worked out with MBW in advance of purchase. For any questions concerning this, please contact our office manager at jessica@marchingbandworks.com.

Regional Exclusivity:

MBW bases our Regional Exclusivity on a 250 mile radius from the school and the circuits that each school competes in. We rely on information from our customers to report every circuit they plan to perform in. We will not sell the same show twice in the same local circuit or state classification. For national circuits like BOA, we will not sell the same show twice for specific regional or championship locations. It is very important that every customer report accurate circuit information to guarantee regional exclusivity for all groups. MBW does not take any financial responsibility for groups who perform shows outside of the regional information they provide to us at the time of purchase or to any who school who has an infringing school compete within a show or circuit that an authorized group is performing. Any break in this exclusivity due to change in plans for that given school is the sole responsibility of the school or organization and MBW is not liable. MBW will attempt to contact and work with the school ahead of time if we are alerted but we can't promise or guarantee any action will be taken.

Time period for a show once purchased:

Shows purchased may be used for one calendar year from the date of purchase. Shows may be used for one competitive season only.

Refund Policy:

MBW is unable to offer refunds on our shows. Because our sales come with regional exclusivity, we have reserved the show for a customer in their area and have often turned away other groups who have inquired about the same show in the same region. In addition, once the director/students and/or staff have had access to the music (a digital product), there is no way to "return the product." All sales are final.
